This phase of an ongoing Erosion Control and Maintenance Plan initiated 10 years ago by Friends of Windansea, an ad hoc community group, will address erosion and drainage issues, and improve safety for both pedestrians and those parking vehicles. The reconfigured parking lot will provide improved access for the disabled, parking areas for bicycles and motorcycles, and space to load and unload gear, with no loss of in the overall number of parking spaces. Construction is anticipated to be completed in early November.
